*Nurse Practitioner-Led Clinic*

## MEMORY SCREENING CLINIC

How is your memory? Come for a free screening!

***JUNE 12, 2013***

**Please call 475-9595 to book an appointment with us!**

We hope to see:

Anyone age 75 or over

Anyone ages 65-74 with:

- ◆ Diabetes
- ◆ Heart disease
- ◆ A previous heart attack or stroke
- ◆ High blood pressure
- ◆ A history of smoking
- ◆ High cholesterol
- ◆ Atrial fibrillation
- ◆ Obesity
- ◆ A family history of heart attack or stroke before the age of 60

Participants will be screened by a team which includes a Nurse Practitioner or Registered Nurse, our Social Worker and our Pharmacist. Follow-up appointments may also be booked for you with our dietitian.

Please bring all of your medications and a family member to your appointment!
